Training

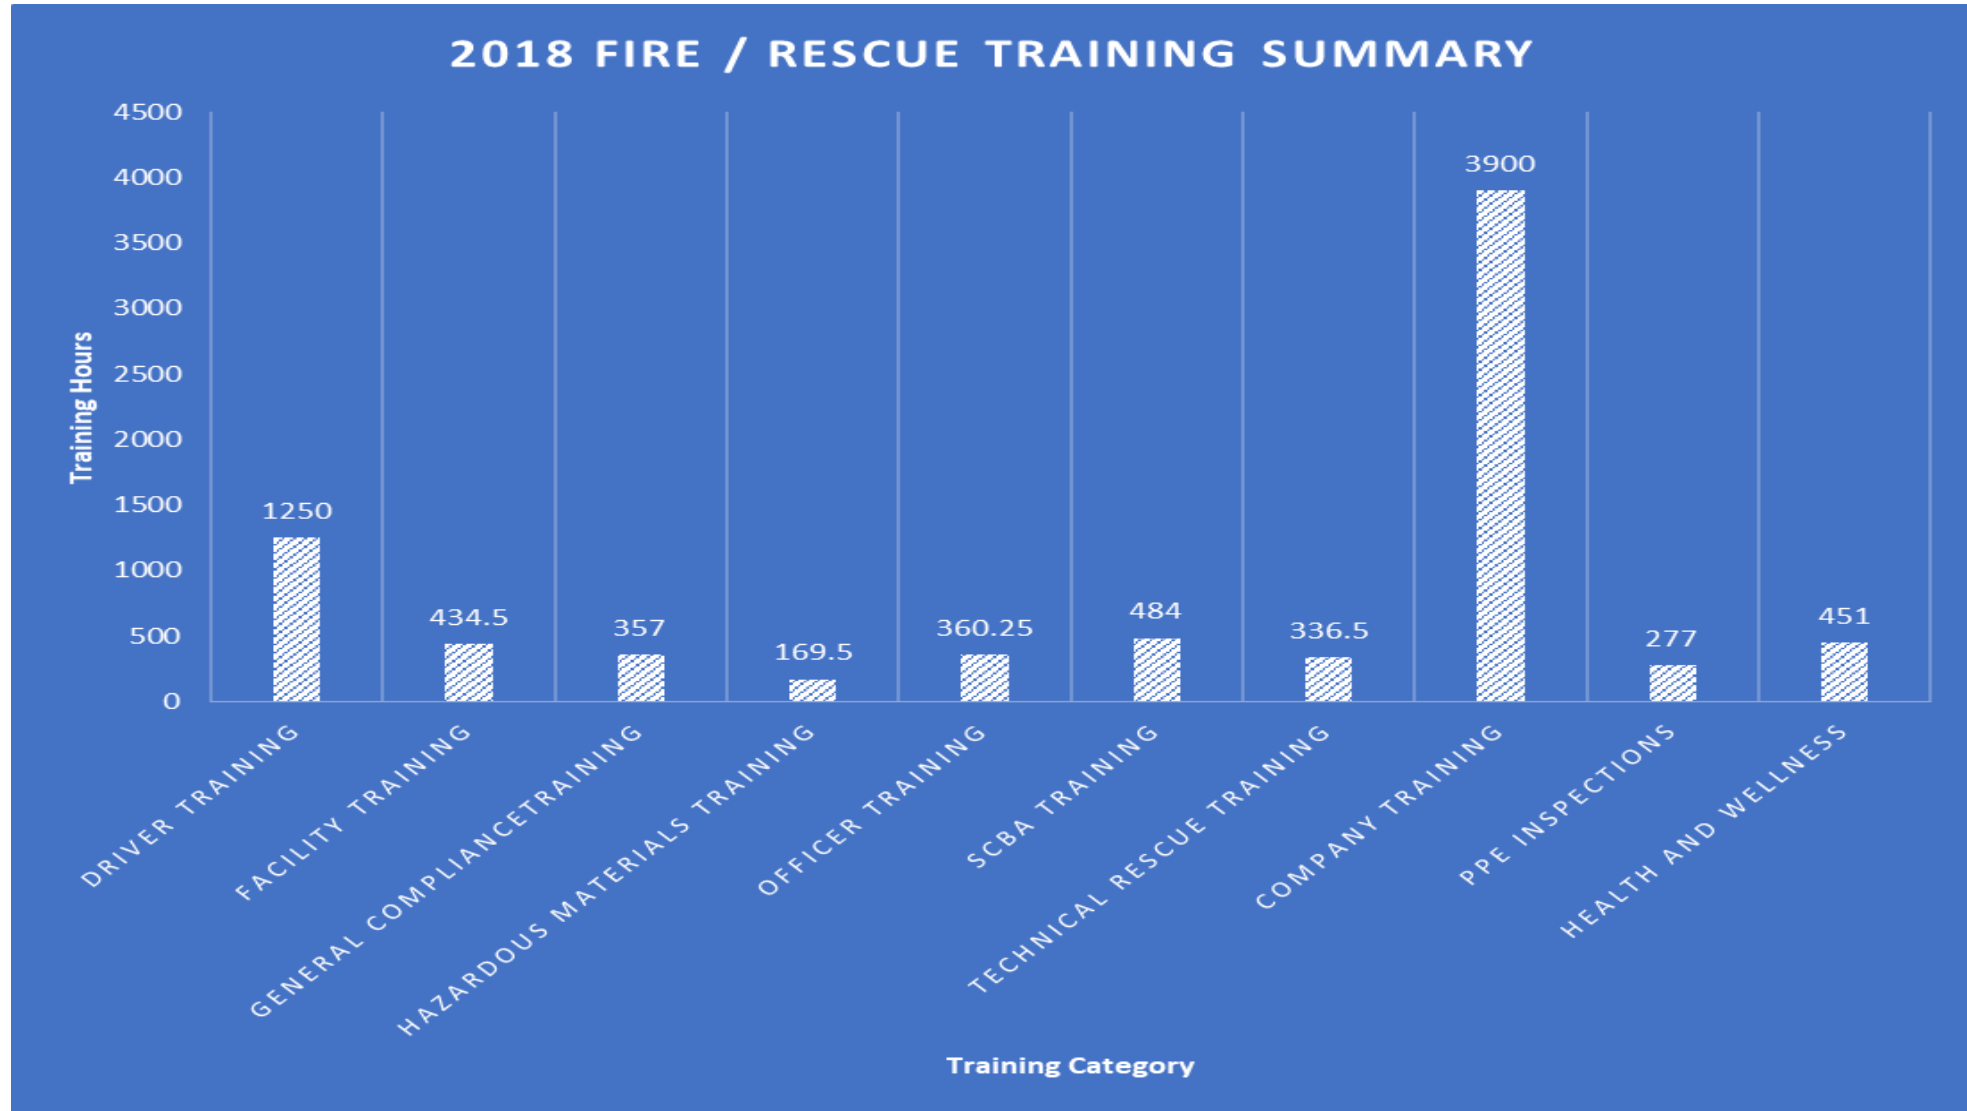

The training expectations for personnel of Manteno Community Fire Protection District includes various certification courses, seminars and conference attendance, and in house assigned daily trainings. These trainings are categorized for compliance with the fire training standards which are regulated by several organizations including the Office of State Fire Marshal, the National Fire Protection Association, the Insurance Services Organization and the Occupational Safety and Health Administration. Furthermore, Riverside Medical Center (our resource hospital) is tasked with providing monthly continuing education for all our EMS providers and assures our compliance with Illinois Department of Public Health Emergency Medical Services standards.

During 2018, Manteno Community Fire Protection District personnel dedicated 7,445 staff hours to fire related training activities and an additional 949 staff hours to EMS related training.
